No. 87159 3117 RR0001

You and your family are invited to dedicate a personalized star in memory of your loved one. We invite you to attend our dedication service where you may place your star on the tree during the ceremony. Volunteers will place stars for those unable to attend. The Stars will be available after the service for pick up.

This is a non-religious service with reflection, dedication and musical interludes to create a quiet & uplifting time together to share in the fellowship of friends & family. We are offering a supervised nursery & play area for families who wish to use it. Please indicate on the reply form if you intend to use the childcare so we may plan for sufficient volunteers.

To dedicate a star, please fill out the attached form & return it with your donation by November 11th to ensure your star is ready for the service. The stars need to be personalized so please submit your request early to assist the volunteers. The stars are created from stained glass by the Brain Injury Association of Waterloo Wellington.

Every effort is made to ensure that all requested stars are ready for the service, however, due to the volume of requests we receive, we cannot guarantee stars requested after November 11th will be available for the dedication service. If you are unable to attend please make arrangements to pick up your star at the office.
